KUAH The main town is located on the south-eastern tip of Pulau Langkawi. It is the take-off point to the neighbouring islands. The name 'Kuah' is a Malay word meaning 'gravey' and is associated with an ancient legend of two battling giants who overturned a gigantic pot of curry at the spot where the town now stands. Once a rustic town with a few streets, present day Kuah is a thriving centre of modern hotels and shopping-cum-business complexes, but without the overcrowding and bustle of modern cities. Kuah is a duty free shopping haven with a wide variety of goods sold at attractive prices and its restaurants offer excellent culinary delights, especially fresh seafood.

MAKAM MAHSURI With its fabled and historical past, Langkawi is a treasure trove for visitors. Among the significant sites on the island that have been preserved for posterity is Makam Mahsuri (*Mahsuri's Mausoleum*) about 12 kilometres from Kuah. This shrine was erected in honour of Mahsuri, a fair maiden who was unjustly accused of adultery. According to legend, she bled white blood at her execution as a sign of her innocence. In her dying breath, she laid a curse on the island that it would remain barren for seven generations. Fact or fiction, seven generations have since passed and today, Langkawi is a flourishing tourist destination. Open: 7.30a.m. - 6.00p.m. (Daily). Admission: RM2.00 (adult), RM1.00 (child).

AIR HANGAT VILLAGE The Air Hangat Village is sited on four acres of land about 14 kilometres northwest of Kuah. This modern complex includes a 3-tier hot spring fountain, an 18 metre long handcarved riverstone mural depicting the legends that enshroud this location and souvenir shops. Visitors can witness the making of local handicrafts and cultural performances. Open: 9.00a.m. - 6.00p.m. (Daily). Admission: RM4.00 (adult), RM2.00 (child). Tel: 04-9591357.

movie set for the making of the film 'Anna and the King'.

Built almost entirely of local timbers by Malaysian and foreign artisans, the Summer Palace resembles a traditional Thai Palace. The palace encompasses an area of 675 square meters and stands 16.6 meters high. A part from the original movie set, a restaurant, souvenir shops and pavilion have been added. Open from 9.00a.m. to 10.00p.m. (Daily). Admission: RM3.50 (adult), RM2.00 (child).

ORIENTAL VILLAGE Overlooking beautiful Burau Bay in Langkawi, the Oriental Village is one of the region's newest and most unique shopping, cultural and culinary destinations. Specially designed to provide a new concept in resort duty free shopping, the Oriental Village also houses fine themed restaurants, reflecting Asia's culinary delights.

A delightful Inn completes the village concept while cultural and theatre performances enhance the Oriental theme that encompasses the village. Indeed, a blend of the traditional and modern intertwine with the local culture will provide a unique experience for the visitor. Apart from excellent restaurants, a specially designed food court offers a variety of local fare. The Inn and the Club Bar provide an excellent rest stop for refreshments. Open from 10.00a.m. to 10.00p.m. (Daily). Admission: Free. Tel: 04-959 1606.

TASIK DAYANG BUNTING Nestled amidst lush forested hills on an island south of Pulau Langkawi is Tasik Dayang Bunting

(*Lake of The Pregnant Maiden*), the largest lake in Langkawi. The outline of hills and rocky outcrops on one side of the lake resembles the shape of a pregnant maiden lying on her back. However, the name of both the island and the lake is attributed to the legend of a lovely fairy princess who married an earthly prince. Her first child died shortly after birth. She was so sad and depressed that she buried the child in the crystal clear waters of the lake. Before she returned to her celestial abode, she blessed the waters so that any childless maiden who bathed in the lake would conceive thereafter.

PULAU PAYAR MARINE PARK The Pulau Payar Marine Park is situated in the northern part of the Straits of Melaka, 19 nautical miles south of Langkawi and encompasses the islands of Pulau Payar, Pulau Lembu, Pulau Segantang and Pulau Kaca which are surrounded by coral reefs. The marine park teems with a fascinating diversity of marine life and vegetation.

Many endangered species of fishes and marine organisms live within the sanctuary. Measuring 2 km long and 1/4 km wide, Pulau Payar is the most popular of the islands as its sheltered waters are ideal for snorkelling, diving and swimming. Among the enchanting dive spots is the "Coral Garden", an area covered with bright, multi-hued soft corals.

There are several sandy beaches on Pulau Payar island for picnics as well as hiking trails for those who wish to explore the island. Just off the beach, one can indulge in the thrilling experience of feeding baby sharks. Facilities include gazebos, picnic tables, barbeque pits and restrooms at selected areas. There is also a Visitors' Centre that provides information about the marine park.

Visitors can get to Pulau Payar from the Kuah jetty point by catamaran or speed boat. The catamaran services operated by Langkawi Coral, takes about 45 minutes to get to Pulau Payar while the speed boat takes an hour. It is advisable to book the catamaran service a day before the trip. Enquiries can be made with any travel agent in Kuah or at the jetty point for

those intending to travel by speed boat. Apart from the fare, a levy of RM5.00 for adults and RM2.50 for children is charged for entry to the marine park. For further information on the catamaran service, kindly contact the Langkawi Coral booking counter, Tel: 04-9667318.

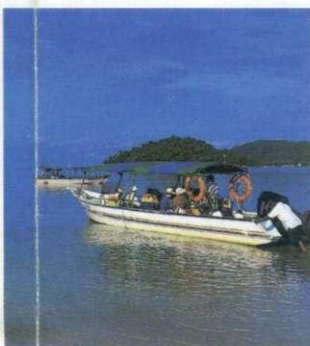

UNDERWATER WORLD LANGKAWI The Underwater World Langkawi, a marine showcase featuring both fresh and salt water fish and other forms of marine life, is a must-see attraction. Located at Pantai Cenang, a popular beach on the island, this aquarium features more than 5,000 types of marine life, exhibited in more than 100 tanks of different sizes. The highlight is a giant tank housing large marine species such as sharks, stingrays, groupers and green turtles, with a 15-metre tunnel for visitors to walk through and enjoy a spectacular view of the exhibits. Underwater gardens of weeds and sea plants together with exotic

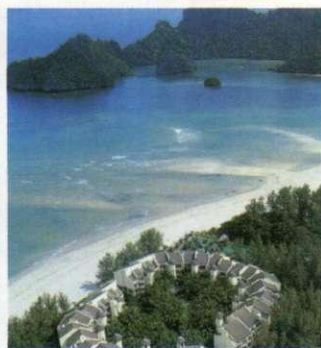

fishes and exhibits of fossils and shells add to the range of interesting sights. Open: 10.00a.m. - 6.00p.m. (Daily). Admission: RM18.00 (adult), RM10.00 (child). Tel: 04-9556100.

ISLAND CRUISES Going on island cruises is a great way to relax and take in the breathtaking scenery of Langkawi as your boat weaves through the watery passageways between the islands.

A round trip, which takes about four hours, includes Pulau Dayang Bunting, Pulau Beras Basah and Pulau Singa Besar and costs between RM220 to RM360 per boat (seats 8-12 persons). Boats can be taken from Marble Beach and Pantai Cenang. Special itineraries with a barbecue meal, snorkelling or trips to other islands can also be arranged.

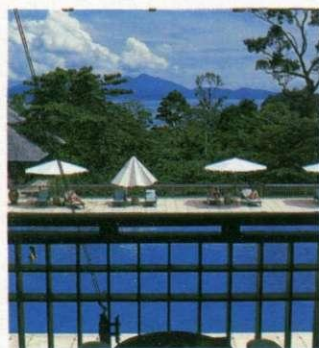

TANJUNG RHU Tanjung Rhu lies on the northern cape of Pulau Langkawi. Aptly named for its abundance of casuarinas, its enchanting beach affords magnificent views of nearby islands which can be reached at low tide on foot. An experience not to be missed.

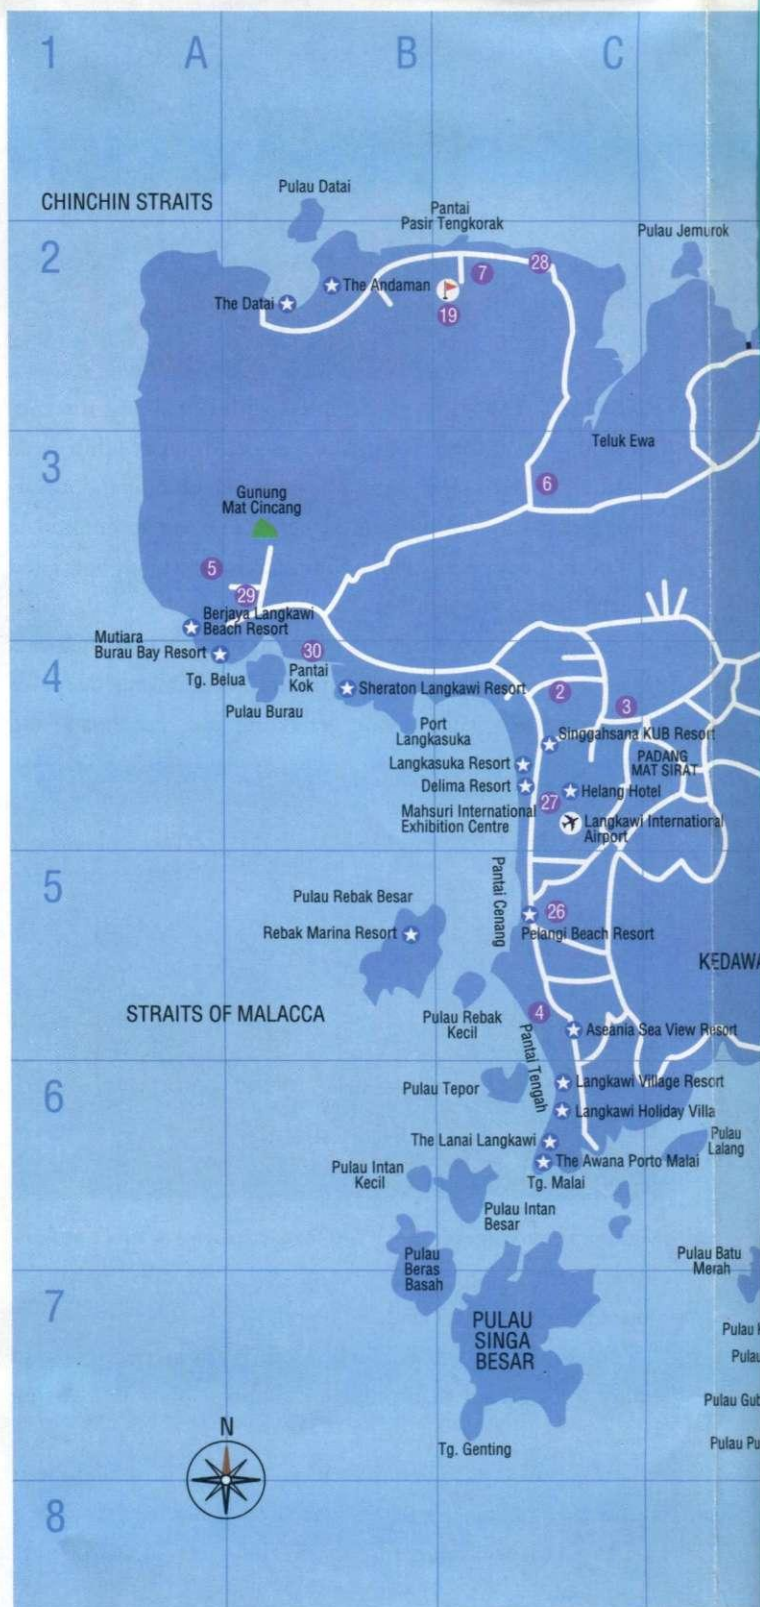

A short journey by boat from Tanjung Rhu brings you to the doorstep of Gua Cherita (*Cave of Legends*). As its name implies, the cave is steeped in fabled tales of mystery and romance.

On the walls of the cave can be seen ancient writing which has yet to be deciphered.

PANTAI KOK, PANTAI CENANG, PANTAI TENGAH, DATAI AND BURAU BAY Idyllic beaches such as Pantai Kok, Pantai Cenang, Pantai Tengah, Datai and Burau Bay offer carefree sun-filled days and quiet evening strolls. SHOPPING

Langkawi is a duty-free shopping haven offering an attractive range of local and imported goods for those with a yen for shopping.

Most of the island's shopping establishments can be found in and around Kuah. A good place to start one's shopping spree is the modern Langkawi Fair Shopping Mall, consisting of 100 retail lots housed in a 2 - storey building. Its anchor tenant, the Samudra Duty Free Department Store, stocks a wide selection of items such as perfumes and fragrances, cosmetics, leather wear, sports gear, ladies' accessories, confectionary, liquor and cigarettes.

The other shopping outlets to check out in Kuah is the Langkawi Duty Free (M) Sdn. Bhd and the Saga Shopping Centre. The former sells a range of duty free items and the latter a variety of imported kitchenware and household appliances, clothing, luggage, confectionary and assorted goods. There are also other shops where shoppers can browse for bargains and perhaps pick up some local items. The Teow Soon Huat Departmental Store in Pokok Assam just outside the town is another shopping outlet which is worthwhile exploring. Visitors to the Langkawi Underwater World at Pantai Cenang should not miss the Zone Shopping Paradise Duty Free Centre housed within the same complex. The wide range of items on sale include cigarette, liquor, cosmetics, watches, fashion ware, jewellery, confectionary and batik.

Another popular shopping stops especially for visitors departing Langkawi by ferry is the Jetty Point Duty Free Complex, a 5-minute taxi ride from Kuah town. Here, there is also an attractive range of duty free items available including ladies and men's apparel and bric-a-brac.

Among the many choices for shoppers include souvenir items such as pewter, handicraft, batik, crystals and glassware. Others include confectionary, liquor, silk fabrics, perfumes and fragrances, cosmetics, shoes and seafood items.

Visitors are allowed to bring back to the mainland one bottle of liquor and one carton of cigarettes after staying at least 48 hours on the island.

WELCOME TO LANGKAWI

Langkawi comprises a group of 99 tropical islands lying off the north-western coast of Peninsular Malaysia, about 30 km from Kuala Perlis and 51 km from Kuala Kedah on the mainland. The main island is popularly known as Pulau Langkawi. The islands are blessed with an intriguing heritage of fabulous myths and legends of ogres and gigantic birds, warriors and fairy princesses, battles and romance. As a natural paradise, the islands are perhaps unmatched anywhere else in Southeast

Asia. With a geological history dating back 500 million odd years, the islands contain unique rock formations that stir the imagination and baffle the mind. Numerous caves, with their stunning stalactites and stalagmites, taunt the adventurous to unravel their ancient secrets. Fine beaches offer sun-filled days of complete relaxation. The clear emerald waters around the islands provide numerous opportunities for a host of water sports and recreational activities. The enchanting marine life beneath the waters of Langkawi's islands also beckon diving enthusiasts.
